Nothing can shake my optimistic attitude.

PERSONALITY TRAITS

Power. I hope to one day rise to the top of my faith's religious hierarchy. (Lawful)

IDEAL

Everything I do is for the common people.

BOND

I am inflexible in my thinking.

FLAW

You have spent your life in the service of a temple to a specific god or pantheon of gods. You act as an intermediary between the realm of the holy and the mortal world, performing sacred rites and offering sacrifices in order to conduct worshipers into the presence of the divine. You are not necessarily a cleric—performing sacred rites is not the same thing as channeling divine power.

Choose a god, a pantheon of gods, or some other quasi-divine being, and work with your DM to detail the nature of your religious service. Were you a lesser functionary in a temple, raised from childhood to assist the priests in the sacred rites? Or were you a high priest who suddenly experienced a call to serve your god in a different way? Perhaps you were the leader of a small cult outside of any established temple structure, or even an occult group that served a fiendish master that you now deny.

**BACKGROUND STORY**

## Deep Delver

You have a knack for making your way in the deep places of the world. You can recall the twists and turns of passageways and tunnels such that you can always retrace your steps underground. You're also well acquainted with foraging and survival in the Underdark, and can determine when sources of food and water are safe to consume. You can always find sufficient food and water for yourself and up to five other people in the Underdark, as long as sustenance is available in the area.

BACKGROUND FEATURE

A glass orb filled with water, in which swims a clockwork goldfish

QUEST ITEMS & TRINKETS

Wir wurden in Wehrbären verwandelt. Ich nur so weit, dass ich mich selbst verwandeln kann. Zu Vollmond werde ich aber immer automatisch zu einem Wehrbären für die Nacht. Stats vom Wehrbär siehe Telegram.

Info für Hordebreaker: Idealerweise gleich benutzen und erst dann die extra attack. Sollte eines der Ziele sterben bei meinem ersten Angriff und dann nur noch ein Ziel übrich sein, greift sonst der hordebreaker nicht mehr.

Info für Huntersmark: mit bonusaction auf das nächste Ziel versetzen, wenn das Ziel stirbt.

Wichtige Info: Bei Saving Throws (immer D20) wo mich jemand mit Magie angreift, hab ich Advantage als Elf (Fey Ancestry). Das heißt ich darf zwei mal den D20 würfeln und der bessere zählt! Den Wisdom modifyer, aktuell +2 bei mir, zählt man dann noch oben drauf.

Longbow +1. Also Plus 1 auf attack und Schaden.

Wenn ich mich von dem Wehrbären wieder zurückverwandeln will, muss ich einen constitution saving throw machen, der über 14 ist (also D20 plus const modifyer
5/ 49 Leben übrig.
Saving Throw: geschafft gefailed.
(Wehrbär: 135/135) -kein Wehrbär mehr!

Kein Limit mehr auf die Anzahl ausgerüsteter Magie Wearables.

Vondal - ersetzt Kriv

Panzer fahren ist eine Bonusaction (40ft), Dashen ist eine Action (80ft). Es muss immer jemand fahren.

5ft = 1 Feld, 10 diagonal

| CASTING TIME | 1 action |
| RANGE | 120 feet |
| DURATION | Instantaneous |
| COMPONENTS | V, S |

You hurl a mote of fire at a creature or object within range. Make a ranged spell attack against the target. On a hit, the target takes 1d10 fire damage. A flammable object hit by this spell ignites if it isn't being worn or carried.

This spell's damage increases by 1d10 when you reach 5th level (2d10), 11th level (3d10), and 17th level (4d10).

*Cantrip (High Elf)* *Player's Handbook*

## Animal Friendship

*1st-level enchantment*

| | |
|---|---|
| CASTING TIME | 1 action |
| RANGE | 30 feet |
| DURATION | 24 hours |
| COMPONENTS | V, S, M (a morsel of food) |

This spell lets you convince a beast that you mean it no harm. Choose a beast that you can see within range. It must see and hear you. If the beast's Intelligence is 4 or higher, the spell fails. Otherwise, the beast must succeed on a Wisdom saving throw or be charmed by you for the spell's duration. If you or one of your companions harms the target, the spell ends.

***At Higher Levels.*** When you cast this spell using a spell slot of 2nd level or higher, you can affect one additional beast for each slot level above 1st.

*Spellcasting (Ranger)* *Player's Handbook*

## Cure Wounds

*1st-level evocation*

| | |
|---|---|
| CASTING TIME | 1 action |
| RANGE | Touch |
| DURATION | Instantaneous |
| COMPONENTS | V, S |

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

***At Higher Levels.*** When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d8 for each slot level above 1st.

*Spellcasting (Ranger)* *Player's Handbook*

## Hunter's Mark

*1st-level divination*

| | |
|---|---|
| CASTING TIME | 1 bonus action |
| RANGE | 90 feet |
| DURATION | Concentration, up to 1 hour |
| COMPONENTS | V |

You choose a creature you can see within range and mystically mark it as your quarry. Until the spell ends, you deal an extra 1d6 damage to the target whenever you hit it with a weapon attack, and you have advantage on any Wisdom (Perception) or Wisdom (Survival) check you make to find it. If the target drops to 0 hit points before this spell ends, you can use a bonus action on a subsequent turn of yours to mark a new creature.

***At Higher Levels.*** When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.

*Spellcasting (Ranger)* *Player's Handbook*

## Pass without Trace

*2nd-level abjuration*

| | |
|---|---|
| CASTING TIME | 1 action |
| RANGE | Self |
| DURATION | Concentration, up to 1 hour |
| COMPONENTS | V, S, M (ashes from a burned leaf of mistletoe and a sprig of spruce) |

A veil of shadows and silence radiates from you, masking you and your companions from detection. For the duration, each creature you choose within 30 feet of you (including you) has a +10 bonus to Dexterity (Stealth) checks and can't be tracked except by magical means. A creature that receives this bonus leaves behind no tracks or other traces of its passage.

*Spellcasting (Ranger)* *Player's Handbook*

## Spike Growth

*2nd-level transmutation*

| | |
|---|---|
| CASTING TIME | 1 action |
| RANGE | 150 feet |
| DURATION | Concentration, up to 10 minutes |
| COMPONENTS | V, S, M (seven sharp thorns or seven small twigs, each sharpened to a point) |

The ground in a 20-foot radius centered on a point within range twists and sprouts hard spikes and thorns. The area becomes difficult terrain for the duration. When a creature moves into or within the area, it takes 2d4 piercing damage for every 5 feet it travels. The transformation of the ground is camouflaged to look natural. Any creature that can't see the area at the time the spell is case must make a Wisdom (Perception) check against your spell save DC to recognize the terrain as hazardous before entering it.

*Spellcasting (Ranger)* *Player's Handbook*

## Conjure Animals

*3rd-level conjuration*

| | |
|---|---|
| CASTING TIME | 1 action |
| RANGE | 60 feet |
| DURATION | Concentration, up to 1 hour |
| COMPONENTS | V, S |

You summon fey spirits that take the form of beasts and appear in unoccupied spaces that you can see within range. Choose one of the following options for what appears:

- One beast of challenge rating 2 or lower
- Two beasts of challenge rating 1 or lower
- Four beasts of challenge rating 1/2 or lower
- Eight beasts of challenge rating 1/4 or lower

Each beast is also considered fey, and it disappears when it drops to 0 hit points or when the spell ends.

The summoned creatures are friendly to you and your companions. Roll initiative for the summoned creatures as a group, which has its own turns. They obey any verbal commands that you issue to them (no action required by you). If you don't issue any commands to them, they defend themselves from hostile creatures, but otherwise take no actions.

The DM has the creatures' statistics.

***At Higher Levels.*** When you cast this spell using certain higher-level spell slots, you choose one of the summoning options above, and more creatures appear: twice as many with a 5th-level slot, three times as many with a 7th-level slot, and four times as many with a 9th-level slot.
